

**Hubert Hits is a fun online multiplayer game of the “Crash” genre.**

It is a game of chance that includes a **multiplier starting at 1.00x**, which escalates to a random, predetermined value prior to the crash occurring.

**The aim of the game is to withdraw before the crash transpires to secure your wager multiplied by the existing multiplier value.**

Join our restless driver as he attempts to evade the oncoming traffic on the busy streets of the city.
